DNR

11. Wisconsin Economic Development Corporation (WEDC) Programs

The WEDC has numerous funding programs to help promote business and community development. A priority for all of their programs is to fund projects that will result in job creation and/or retention. Following is a brief summary of some of their programs.

a. Business Assistance

WEDC offers a wide range of business assistance programs including:

- Direct business loans
- Tax credits
- Employee training grants
- Industrial Revenue Bonds
- Export technical support

b. Community Development

- **Brownfield Grants-No Deadline**
Grants for redeveloping commercial and industrial sites with environmental contamination.
- **Brownfield Site Assessment Grants-No Deadline** Grants for environmental investigations, demolition of structures and tank removal.
- **Community Development Investment Grants**
Deadline: Continuous Starting in September 2016:
Grants to incentivize economic development programs with an emphasis on downtown revitalization. Maximum grant: \$250,000. 75% local match required.
- **Idle Industrial Sites Redevelopment Grants– Deadline November 1, 2016 & March 1, 2017 (Tentative)**
Grants to stimulate redevelopment of idle, abandoned and underutilized industrial sites over 5 acres in size. Maximum grant: 30% of total project grants up to \$500,000. Eligible projects: demolition, environmental remediation, and site-specific improvements.

12. Wisconsin Department of Administration (DOA)

The DOA administers the Community Development Block Grant (CDBG) program. Following is a brief summary:

- **CDBG-Public Facilities for Economic Development (CDBG-PFED) - No Deadline** Grants to fund infrastructure which will result in new job creation. \$10,000 to \$20,000 of grant funds available per job up to \$500,000. Requires 50% local match.
- **CDBG-Public Facilities (CDBG-PF)- Deadline May 26, 2017:** Maximum grant: 50% grants up to \$500,000. Grants to install and/or replace municipal infrastructure. Eligible projects: streets, sanitary sewers systems, water systems, storm water systems, libraries, community and senior centers, fire stations, health clinics, sheltered workshops, acquisition, demolition and blight elimination.
- **CDBG-Planning— Deadline May 26, 2017:** Maximum grant: 50% grants up to \$15,000 to \$25,000. Eligible projects: assist communities develop clear and actionable strategies for addressing specific site, neighborhood or community development needs; or, to improve the quality of community or economic development projects. Typical projects include: economic development plans, downtown revitalization plans, neighborhood revitalization plans.
- **CDBG-Housing - Tentative Next Deadline Summer 2017:** Grants are available to improve and expand the supply of affordable housing for low-to-moderate income persons. Eligible activities include: housing rehab, home ownership assistance, acquisition, demolition and site improvements.
- **CDBG Rural Economic & Area Development Initiative (CDBG-READI) (Subject to HUD Approval)**
READI grants will be awarded to local units of government, which will be passed on to a Community Development Organization (CDO). The CDO will award loans for economic development, or workforce housing projects. Grant awards will also be made for job training. The maximum grants are: \$500,000 for economic development grant, \$300,000 workforce housing and \$200,000 for training.

Maximum loan: 100% of project.
Maximum grant: limited grant funds available.
Eligible communities: less than 10,000 population.
Eligible projects: municipal buildings, fire stations, police stations, libraries and health clinics.

19. Wis. Dept. of Tourism – Joint Effort Marketing (JEM) –

The JEM program funds five categories of marketing initiatives to promote tourism including:

Program	Deadline	Maximum Funding Available
Destination Marketing	April 1 & Sept. 1	\$39,550 for one year.
New Event	Feb. 1, April 1, Aug. 1, Nov. 1	\$39,550 per year for three years.
Sales Promotion	Feb. 1, April 1, Aug. 1, Nov. 1	\$39,550 per year for two years.
Existing Event	Feb. 1, April 1, Aug. 1, Nov. 1	\$39,550 per year for three years.
One-Time, One-of-a-Kind	Feb. 1, April 1, Aug. 1, Nov. 1	\$28,250 for one year.

20. Tax Incremental Financing (TIF)

TIF is an important tool for municipalities to help fund their infrastructure and development projects. Following is a brief summary of the different types of Tax Incremental Districts (TIDs):

TIF

Industrial Development

- At least 50% of area must be zoned industrial
- Maximum life of district = 20 years + 3 year extension available
- Expenditure period = 15 years

Blight Elimination

- At least 50% of area must be blighted
- Maximum life of district = 27 years + 3 year extension available
- Expenditure period = 22 years

Rehabilitation or Conservation

- Maximum life of district = 27 years + 3 year extension available
- Expenditure period = 22 years

Mixed-Use Development

- No more than 35% can be for newly platted residential
- Maximum life of district = 20 years + 3 year extension available
- Expenditure period = 15 years

Environmental Remediation

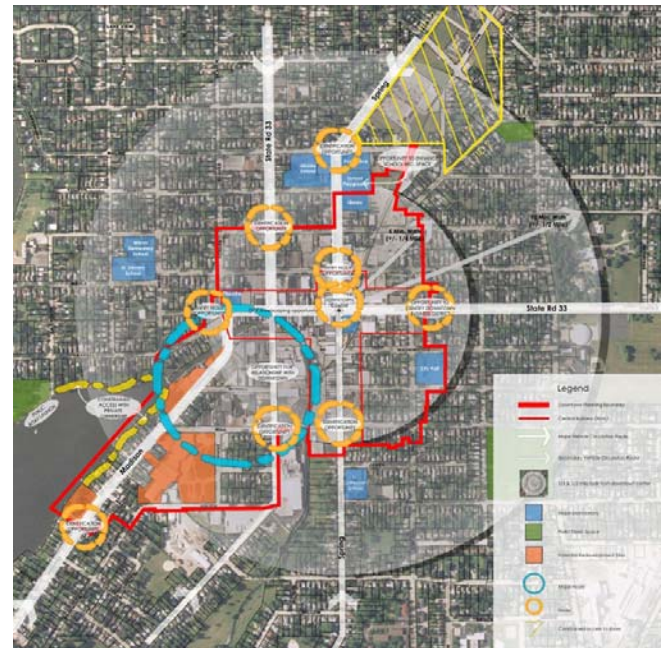

- Requires a DNR approved remediation plan
- Maximum life of district = 23 years
- Expenditure period = 15 years

Town TIDs – Tourism, Agriculture & Forestry

- Maximum life of district = 16 years
- Expenditure period = 5 years

TIDs can be amended for the following purposes:

- Amend the Project Plan to add additional projects.
- Amend the Boundary up to four times. Can also subtract territory from a TID.
- Amend Project Plans to transfer funds between TIDs
- Amend Project Plans to fund projects within a one-half mile radius of TIDs.
- Designate TIDs as Distressed.
