Gilbank Construction Inc /  
Seneca Foods

## LOCATION

Cambria, WI

## PROJECT SERVICES

- Civil Engineering
- Land Surveying
- Stormwater Management
- Site Development

Seneca Foods Corporation is well known for their food processing and canning vegetables. Vierbicher was part of the team that created a 150,000 SF building expansion at their Cambria, Wisconsin plant.

The project began in 2020 and was completed in May of 2023 and included the following highlights

- 49 Acre Site
- 150,000 SF Metal Building
- 7 Loading Docks
- 190,000 SF of Parking/Drives
- 2,500 LF of Storm Sewer
- 1,700 LF of Water Main
- 30,000 SF Wet Pond

This expansion has allowed Seneca Foods to create space for more storage for vegetables and cans, and expand their warehouse to permit more deliveries and pickups.

Vierbicher provided site design, stormwater management, land surveying, and civil engineering for this project.
